II. Discussion

Applicant submits that these documents, whether taken alone or in combination, fail to show or suggest the claimed subject matter. Applicant requests that the Examiner consider the entirety of each document and make them of record in this application. Applicant's submission of these documents for consideration is not to be construed as an admission that the documents qualify as prior art to the claimed subject matter, a representation that a search has been made, nor as an admission that the information is

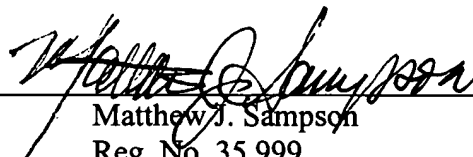

considered to be material to patentability.

Respectfully submitted,

McDonnell, Boehnen, Hulbert & Berghoff
